Apparently in a meeting yesterday, (which I was not invited to attend) my boss couldn't remember the name of a prior owner whom we just sent a General Notice letter to, last week. The entity is Bayer Corporation, parent of Bayer CropScience. Bayer CropScience is the current owner of a chemical company which owned the 400 North Richey property during the 1930's, 1940's , etc. and up to approximately 1973. I just wanted you to be aware that we have sent a GNL to Bayer.
